Guest ID Instructions for Accessing the UI eduroam Network

1. Connect to the **UI-Wireless-Setup** network.

2. Open a web browser (Internet Explorer, Firefox, Safari, etc.).

3. Follow the instructions at [http://wireless.its.uiowa.edu](http://wireless.its.uiowa.edu) to configure your laptop.

4. Use your **Guest ID** followed by **@uiowa.edu** (G_0123abc@uiowa.edu, for example) and **password** when prompted to log on to the network.
